PREFACE

University of Ahmad Dahlan (UAD), in celebrating its 54th Anniversary, successfully held the International Conference entitled **Herbal Medicine Industrialization as Complementary Therapy on Natural Disasters**. The committee invited speakers from overseas universities such as Germany (Prof. Oliver Kayser), China (Prof. Huang Renbin), and Thailand (Prof. Krisana Kraisinhu) as well as Governor of DIY (Sri Sultan Hamengkubuwono X) as keynotes speaker and Head of the Regional Disaster Management Agency panelled with Head of Drug Information Center, UAD (Dr. dr Akrom, M.Kes). In addition, the committee also invited researchers in the field of herbal medicines, pharmacology, phytochemistry, clinic, pharmaceutical technology, Biopharmaceutic as well as the researchers who have interesting in management of natural disasters. The conference is aimed to strengthen herbal medicine industrialization based on scientific evidences, and to support herbal medicines as complementary therapy especially applied on natural disasters.

We would like to express our appreciation to all authors who have submitted papers in the proceeding, keynotes speakers, free paper speakers, participants, members of steering committee and technical committee as well as all of our colleagues for the invaluable contributions in this conference. We wish all of participants will find many beneficial things from the conference

Head of Organizing Committee

Dr. Kintoko, M.Sc., Apt.

CONTENTS

	page
Preface	i
Contents	li
Phytochemical Study Of Bidara Upas (<i>Merremia mammosa</i> (Lour.) Hallier F.) Leaf E.R. Sadiyah, K.M. Yuliawati, L. Aniq	1
Comparison Of Total Tannins Contents And Antibacterial Activity Test Against <i>Escherichia Coli</i> Between Decocta And Steepings Of Agarwood (<i>Aquilaria malaccensis</i> Lamk) Leaves Endah Rismawati, Elsa Wulandari, U.A. Dasuki	13
Antimicrobial Activity Of Fractions Of Ceremai (<i>Phyllanthus acidus</i> (L.) Skeels) Leaves Extract Against Antimicrobial Resistant Bacteria And Fungi Lanny Mulqie, Kusnandar Anggadiredja	22
Co-Chemotherapy Test Of Ethyl Acetate Fraction Of Pasak Bumi Roots Extract (<i>Eurycoma longifolia</i> Jack.) Against T47d Cells Which Exposed By Doxorubicin Laela Hayu Nurani, Sitarina W, Achmad Mursyidi, Rachmadhaniah, Emelda, Breni, Ana	29
Antihyperuricemic activity of <i>Tinospora crispa</i> purified extract on potassium oxonate induced mice Harwoko, Warsinah, Esti Dyah Utami	36
Study On Antiinflammatory Effect Of N-Hexane And Ethyl Acetate Extract Of Seeds Of Avocado (<i>Persea americana</i> Mill.) On White Mice (<i>Mus Musculus</i>) S.Hasti, N.Rahmawati, R.Utami, R.Muharnis	43
Comparison of Antioxidant Activity and Catechin Content Between Yeast Fermented Cacao Bean and Non Fermented Cacao Bean Indra T. Maulana, Endah Rismawati, Hafiz Alroza, Lisnawati	48
The Effect of Rosella (<i>Hibiscus sabdariffa</i> L) Calyx Extract on Increasing Cattalase Activity Against 7,12-dimethylbenz- $\{a\}$ Antrasena (DMBA) Induced in Rats Ery Fatmawati, Nurkhasannah, Nanik Sulistyani	57
The Effect Of Roselle (<i>Hibiscus sabdariffa</i> L.) Calyx Extract On Decreasing Of Sgpt And Sgpt Level On 7,12 Dimethyl Benz(A) Antrasen(Dmba) Induced Rats Zainur Rahman Hakim, Nurkhasanah, Laela Hayu Nurani	64
Antioxydant Activity Of Leaves Extracts From <i>Gnetum gnemon</i> Linn Using DPPH Ira Rahmiyani, Reny Aprianti, Nur Rahayuningsih	77

The Effect of Rosella (<i>Hibiscus sabdariffa</i> L) Calyx Extract on Decreasing GPx Activity and Increasing MDA Against 7,12-dimethylbenz- $\{a\}$ Antrasena (DMBA) Induced in Rats	81
Wahyu Tusi Wardani, Nurkhasanah, Moch. Saiful Bachri	
The Effect Of Dried Red Ginger Powder (<i>Zingiber officinale</i> Var. <i>Rubrum</i>) On Patients With Type 2 Diabetes Mellitus	87
Deddy Almasdy, Rose Dinda Martini, Eliza Arman	
Validation Of Brief Medication Questionnaire (Bmq) Indonesian Version In Diabetes Mellitus Patients	95
Imaniar Noor Faridah, Nindya Isthidkadewi, Dyah A. Perwitasari
